

Role of Oral Tradition in Ancient India

**How oral tradition preserved
and transmitted knowledge**

INTRODUCTION

- The oral tradition played a vital role in ancient India.
- It served as the primary method of knowledge transmission
- Before writing systems became widely used.

CONTRIBUTION TO KNOWLEDGE PRESERVATION :-

- Preserved cultural heritage and values
- Maintained religious teachings and philosophies
- Ensured continuity of scientific, medical, and moral knowledge

METHODS USED :-

- Memorization (Shruti and Smriti tradition)
- Repetition and chanting
- Use of poetic meter and rhythm
- Guru-Shishya (teacher-disciple) system

EXAMPLES :-

- Vedas were transmitted orally for centuries
- Epics like Ramayana and Mahabharata
- Upanishads, Puranas, and Buddhist teachings
- Ayurveda and mathematical knowledge

CONCLUSION :-

- **The oral tradition ensured the survival of India's vast**
- **knowledge systems across generations.**
- **It built strong memory culture and preserved ancient wisdom.**
